## 02 Installeer de omvormer

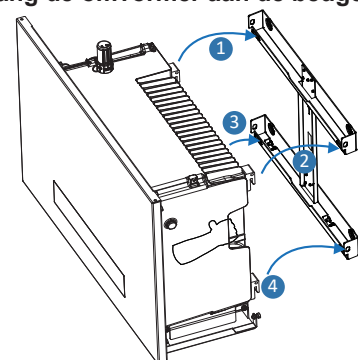

**Stap 1** Gebruik een waterpas om ervoor te zorgen dat de muurbeugel op een horizontaal vlak wordt geïnstalleerd. Bepaal de locatie en bevestig de beugel met muurankers.

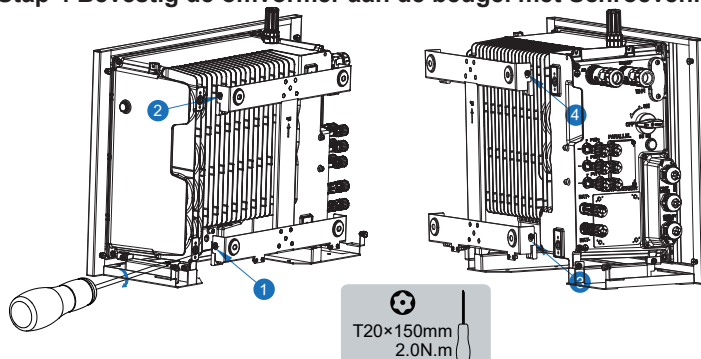

**Stap 2** Bevestig de wandhanger aan de omvormer met M5 \* 12 Schroeven

**Stap 3** Hang de omvormer aan de beugel.

**Stap 4** Bevestig de omvormer aan de beugel met Schroeven.

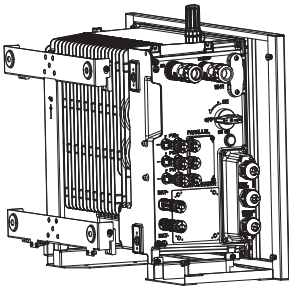

## 03 Aansluitingen

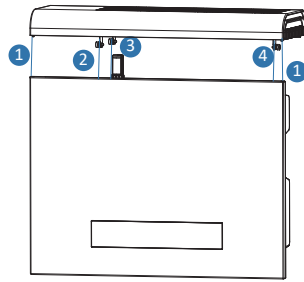

De stappen volgens de QUICK INSTALLATION GUIDE van de omvormer.

## 4.1. Monteer de bovenkap

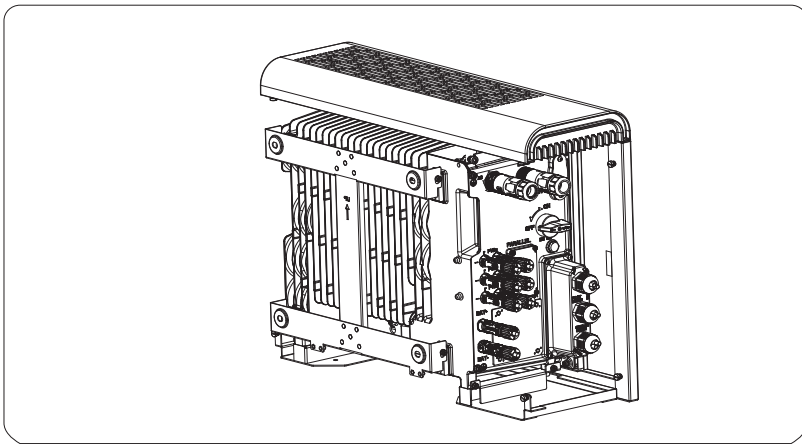

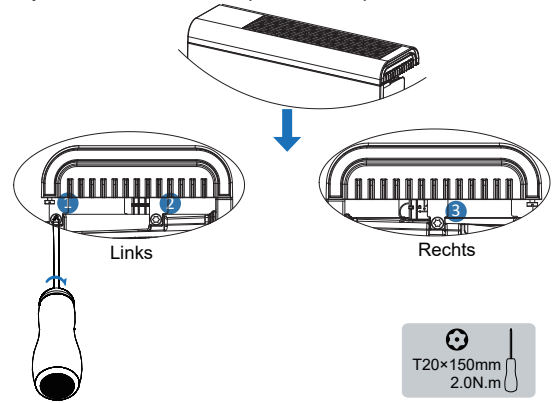

**Stap 1** Controleer of de wifi dongle is geïnstalleerd.

**Stap 2** Plaats de bovenkap op de omvormer volgens de aanwijzingen.

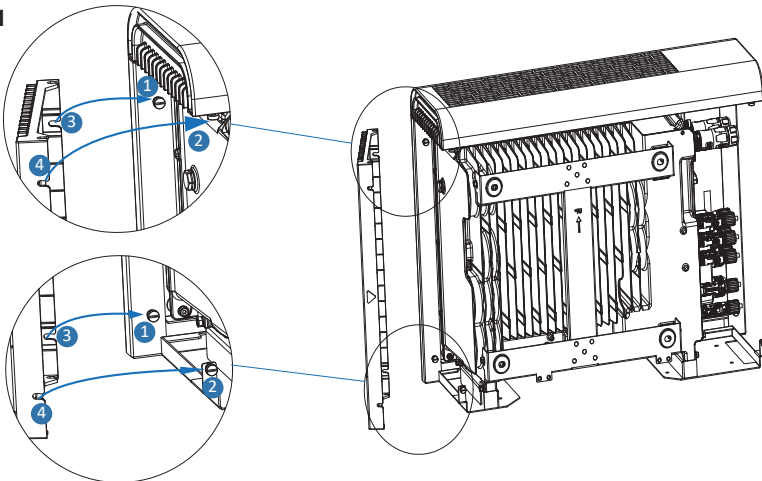

**Stap 3** Draai de Schroeven op de bovenkap vast.

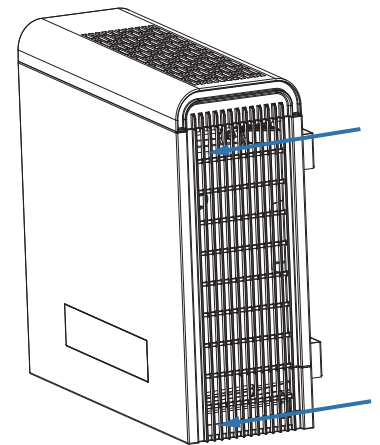

## 4.3. De juiste afdekking installeren

**Stap 1**

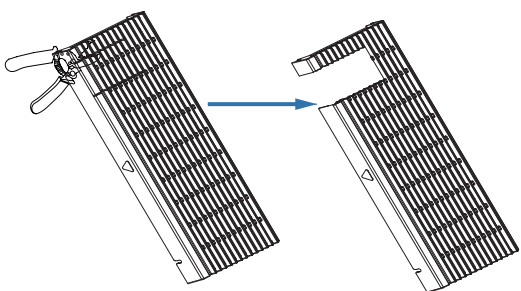

**Stap 2**

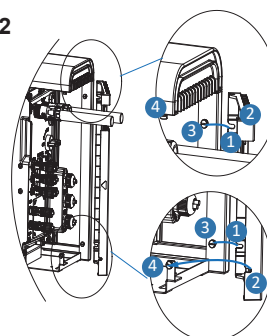

## 4.4. Sluit de Grid&amp;Backup Connector aan en monteer de kabelafdekking

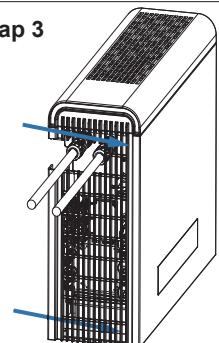

**Stap 1**

**Stap 2**

**Stap 3**

Opmerking:

Zorg ervoor dat het zijpaneel met de driehoekige markeringen naar de muur
